

Tosca Wood Look Crates

A fresher, farmers-market look

Tosca's **wood-look crates** combine food safety, durability, and aesthetic appeal to protect produce and increase in-store sales.

The food-safe, non-porous surface maintains hygiene and food quality, while the natural wood-look design enhances retail presentation.

Fully reusable and PPWR compliant, the crates support sustainability while their retail-ready design cuts labour costs and improves supply chain visibility through traceability functionality.

Design & Features

Durable, active locking system

protects products while **ergonomic handles** reduce labour costs.

Wood look effect increases product appeal and sales

Non-porous, hygienic and humidity resistant ensuring food safety and quality.

RFID/barcode equipped for traceability.

Scan this QR to **discover more** about this product.

Lock in freshness and protect food quality

Easy-to-clean, non-porous surface ensures hygiene, food safety, and quality.

Boost in-store sales with wood-look design

Attracts shoppers with a premium, farm-fresh appearance.

Minimise product damage with superior protection

Durable structure and active lock system protect fruit and vegetables.

Meet sustainability goals with reusable crates

100% recyclable at end of life and PPWR-compliant.

Save time and costs with stackable, stable retail-ready design

Streamlined restocking and ergonomic handling reduce labour costs.

Achieve supply chain visibility with smart traceability

Track assets, reduce waste, and improve inventory control.
